

WHO ARE YOU, WOMAN

by Robert S. Flowers

*Who are you, Woman,
After all of these years,
Beyond whom I sleep with
And sometimes share tears?*

*Who are you, daring
To lie at my side —
To mother my children —
One of whom died?*

*Who are you, Precious,
Confidante, friend —
Wife, Lover, Partner —
A sweet awesome blend?*

*Who are you, sharing
These children you bore,
Carrying another
Whom we just might love
more?*

*

*You're all sorts of things —
Some mentioned above,
But know that to me
You're far more than love.*

MORE BEAUTIFUL

by Robert S. Flowers
for my expectant wife, Susan

*Your beauty has changed - perhaps you know —
The way you smile and your radiant glow.
Your body's lines have changed a bit
So your thin waisted clothes no longer fit.*

*Your silhouette has a new contour —
A different style with a different allure.
Your beauty now has an awesome impact,
That contains all the force of the Creative Act.*

*Your enlarging womb with it's convex curves
Excite my senses and Optical Nerves.
Your high full breasts preparing for milk
Have a texture reminiscent of the finest of silk.*

*You can have that old style of svelte and thin.
I prefer your curves with the joy within!
There's a whole new life you have in store, And
you're much more beautiful than ever before!*

How to make sure

**your income
won't
become
disabled, too.**

plan ahead.

When you become disabled, two things tend to happen simultaneously. Medical bills and the cost of daily living go up dramatically. And income goes down substantially. While we can't prevent you from becoming disabled, we can make sure that your personal income remains healthy.

Our disability income insurance products can:

- provide guaranteed income for months, years or until age 65.
- be tailored to suit your individual needs and budget.
- help prevent the need to spend your savings or sell your home to generate cash.
